

# ATLANTIC COLLECTION

Atlantic Collection cabinets with Plymouth doors

## Frameless

Our Atlantic collection displays shaker door styling with solid colored rigid thermofoil simulating a painted finish. The solid color Thermofoil offers the look of paint without the maintenance of a painted finish. Thermofoil is stain resistant, abrasion resistant and has no seams on the face. Our wide range of colors allows you to design your kitchen for any decor.

CAPE COD (arctic white)

HARWICH (antique white)

NEWARK (almond)

PLYMOUTH (pumice)

BEDFORD (oyster grey)

ROCHESTER (mist)
