

BAY COLLECTION

The BAY COLLECTION has exquisite detailing. The distinctive mitered framing of the door and drawer face features a soft, pillow radius between the outside beaded edge and the inside ogee profile. Recessed veneer panels or raised hardwood panels complete the style.

We offer several species of wood from subtle to defined grain patterns. See our finishes page for the full offering of colors and stains for this collection

Lanz Cabinets builds function, beauty and convenience into every cabinet we produce.

Choose from standard styles or work with our team of designers and craftsmen to create the cabinets that best meet your needs. And all of our cabinets are available with a full selection of specialty storage options, handles, hinges, drawer guides, and accessories.

Lanz is committed to providing top quality in design, materials and construction.
