**OUR BAY AND PORT COLLECTIONS** share exquisite detailing. Five-piece drawer and door construction with mitered corners structure this premium design.

Single or double bead, veneer or hardwood panels make for many customized choices. We offer several species of wood, from subtle to defined grain patterns. See our finishes sheet for the full expression of colors and stains for this style.

Lanz Cabinets builds function, beauty and convenience into every cabinet we produce.

Choose from standard styles or work with our team of designers and craftsmen to create the cabinets that best meet your needs. And all of our cabinets are available with a full selection of specialty storage options, handles, hinges, drawer guides, and accessories.

Lanz is committed to providing top quality in design, materials and construction.
