

# HEARTHSTONE COLLECTION

Hearthstone Collection with Enfield doors

The Hearthstone Collection draws on traditional shaker furniture design for inspiration. Clean, simple lines and honest craftsmanship are the hallmarks of this style.

Available in the same types of wood that the Shakers used, as well as in contemporary choices, these cabinets can be finished in clear or any stain to complement your design.

Lanz Cabinets builds function, beauty and convenience into every cabinet we produce.

Choose from standard styles or work with our team of designers and craftsmen to create the cabinets that best meet your needs. All of our cabinets are available with a full selection of specialty storage options, handles, hinges, drawer guides, and accessories.
