

# NORTHVIEW COLLECTION

Northview Collection with Montreal doors

Northview Collection offers a versatile look with a choice of hand selected veneers creating a kitchen of function and beauty.

Our Northview Collection offers hand selected veneer door styling and solid wood framing. Full overlay design enhances the natural beauty of real wood on these veneer cabinet faces. Finishing with our perfect selection of decorative hardware will create a warm northwest contemporary design.

Choose from our standard natural finished veneers or work with our team of talented designers and craftsmen to customize cabinets that best suit your needs.

Lanz Cabinets is passionate about providing top quality, design, materials and construction.
