

# SOUTHPORT COLLECTION

Southport Collection with Pacifica doors

Lanz Cabinets' Southport collection is elegant with clean lines, a perfect solution for simplicity and function.

Our Southport Collection presents a look of elegance in a striking blend of solid wood framing and easy to clean melamine surfaces. Optional full overlay construction and our perfect selection of decorative hardware completes an economical European design.

Choose from one of our standard styles shown here, or work with our team of talented designers and craftsmen to customize cabinets that best suit your needs.

Lanz Cabinets is passionate about providing top quality, design, materials and construction.
