

# TRADEWINDS COLLECTION

Signature Tradewinds with Antiqua doors

We designed our Tradewinds Collection with an island flair and premium hand-crafted, mitered five-piece drawer construction. Hand-applied rope molding adds definition to your kitchen and requires the highest skill level and attention to detail. Simple lines combined with decorative, beaded exterior lines can be breezy and casual or suited to a more formally appointed room.

Lanz Cabinets builds function, beauty and convenience into every cabinet we produce.

Our premium lines use the finest European drawer guides, hinges and hardware. All of our cabinets are available with a full selection of specialty storage options and accessories.

Lanz is committed to providing top quality in design, materials and construction.
